Math Game: Jumping Chicks Counting

✓ What I Practiced

Which numbers were the easiest to count?

☐ Smaller numbers

☐ Odd numbers

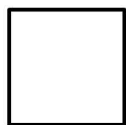

☐ Larger numbers

☐ Other:

☐ Even numbers

⚙ How I Solved It

How many lily pads are there?
Write the number.

lily pads

Arrange the lily pads so they're easier to count. Draw circles.

📌 Next Steps

Which numbers are still tricky for you to count?

How can you get better at counting quickly?

☐ Use ten frames

☐ Replay the game

☐ Other:

☐ Use counters

☐ Line up objects
