Math Game: Otter Rush Exponents

✓ What I Practiced

What helped your otter zoom through the racetrack?

- ☐ Knowing base and exponent ☐ Other:
- ☐ Looking for patterns
- ☐ Repeated multiplication

⚙️ How I Solved It

Solve for x. Show your thinking.

$$2^x = 8$$

$$x^2 = 81$$

📌 Next Steps

What slowed you down during the race?

What will help you do better next time?

- ☐ Practice common exponents ☐ Other:
- ☐ Look for number patterns
