Math Activity: Power Blocks

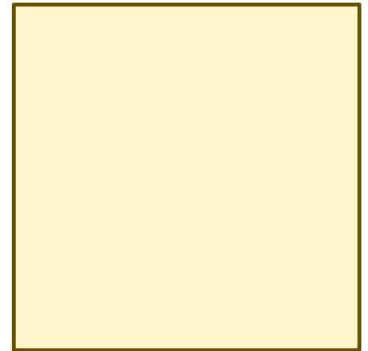

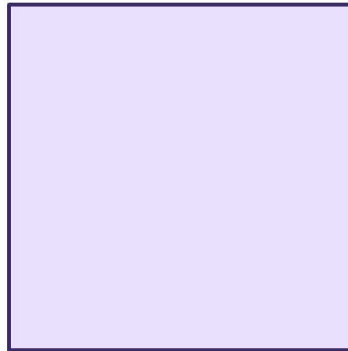

✓ What I Practiced

What skills helped you cover the square?

- ☐ Separating pieces first
- ☐ Combining smaller shapes
- ☐ Matching shapes to available spaces
- ☐ Other:

⚙️ How I Solved It

Design your own puzzles.
Divide the lilac square
into 6 pieces and the
yellow square into 8.

📌 Next Steps

Which shapes were challenging for you to place? Why?

What will help you do better next time?

- ☐ Fit the biggest shape first
- ☐ Place corner pieces early
- ☐ Other:
