

Name _____

Date _____

Math Game: Ratio Stadium

✓ What I Practiced

What helped your dirt bike race around the track?

- ☐ matched equivalent ratios
- ☐ Other:
- ☐ part-to-part comparisons
- ☐ simplified ratios

⚙️ How I Solved It

Write an equivalent ratio for each. How do you know they are equal?

3:4

5:2

📌 Next Steps

What kinds of ratios were difficult to match?

How can you improve for next time?

- ☐ Practice with ratio tables
- ☐ Other:
- ☐ Build models of equal ratios
